

## Accommodation Letter

**Dear Dr, .....**

Thank you for helping us in providing a barrier- free learning environment for students with disabilities at the University of Business and Technology.

**Ms. .... (.....) is enrolled in one of your courses,**

**Organizational Behavior Section3.** The student provided medical documentations to the Educational Support Center of her disability, which significantly affects academic performance. ESC staff reviewed the documents and found that the documents meet established guidelines for accommodation. Student's accommodation includes:

- 1) Allow student to present projects or presentations to instructor only.**
- 2) Extended testing and assignments time.**
- 3) Flexible attendance system.**

Please note that all accommodations information considered confidential and cannot be shared with other classmates.

If student requests additional accommodation(s) which are not listed above please contact one of the ESC team to direct you based on the student's case:
