

On-site Clinic Services

My Appointments

Your on-site clinic nurse will arrange any appointment you wish to have in My Clinic for yourself or any of your family members. Just give her a call - **your priority booking is guaranteed.**

My Telemedicine

If you think you cannot make it to My Clinic, we can book your telemedicine appointment at your convenience and comfort of your place. Call your onsite clinic nurse or doctor to book a priority appointment. **Your appointment comes with additional benefits of free medication home delivery.**

My Medication Delivery

You don't have to visit the pharmacy every time to get your medications. Your onsite clinic staff can provide you with:

- Chronic diseases medication refill
- Prescribed medications
- Over the counter medications (like Panadol and other pain relievers)

My On-site Lab

We provide this service to help collection and Withdrawal of samples at your convenience.

Your onsite clinic doctor will review & explain your Lab results.

ECG

We can provide ECG services in your onsite clinic with prior booking

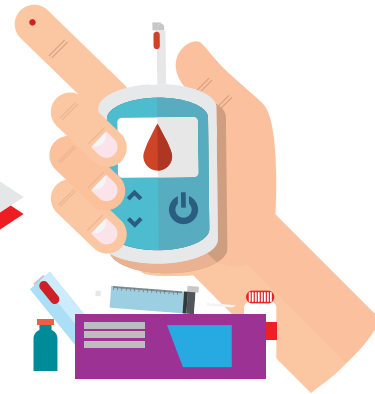

My Physiotherapy

You can have your Physiotherapy sessions in the onsite clinic. All you have to do is to book your appointment.

Other Services available on-site

- Vital signs measurement & Body Mass Index
- Random blood sugar measurement
- Health counselling & lifestyle change
- IM & IV injections
- Vaccination
- Wound care

Enrol in My Clinic Health Care Programs

You can enroll yourself or a family member to one of our healthcare programs through your On-site Clinic:

- Diabetes Management Program
- Antenatal Care Program
- Move & Learn (Osteoarthritis Program)
- Paediatric Asthma Program
- Hearing Care Program
- and more**
