## Introduction

This report outlines the University of Business and Technology's (UBT) commitment to Sustainable Development Goal 1 (SDG01): No Poverty, as part of its participation in the Times Higher Education (THE) Impact Rankings. It highlights the university's efforts in aligning its courses and research initiatives with SDG01, showcasing its role in addressing socioeconomic challenges and fostering sustainable development.

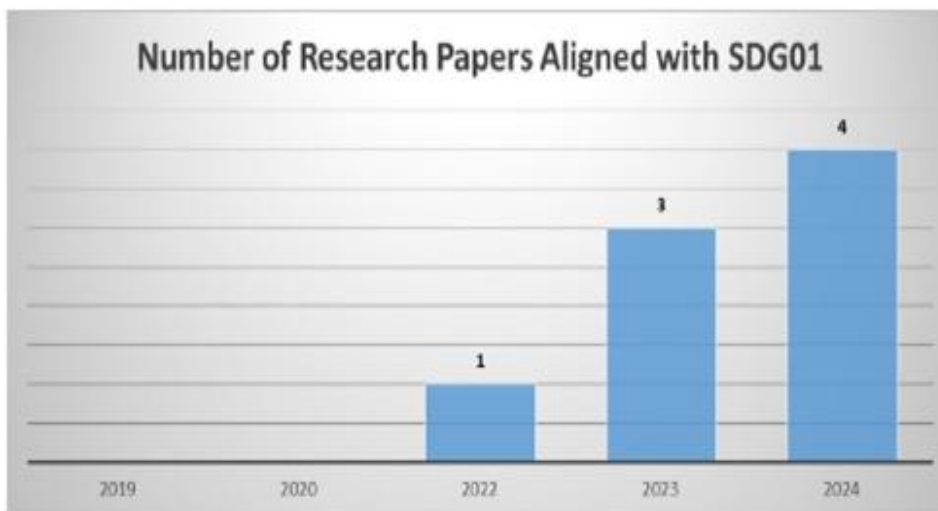

Through an integrated approach, UBT emphasizes the importance of poverty alleviation in its academic curriculum and research activities. This document provides an overview of the university's achievements, including the alignment of 22 courses with SDG01 and the production of 8 research projects targeting poverty reduction and economic inequality. These contributions reflect UBT's dedication to creating impactful solutions for global poverty and supporting marginalized communities.

## Research's Alignment with The SDG

UBT has produced 8 research projects aligned with SDG01. These research initiatives address:

- The impact of economic policies on poverty reduction.
- Developing sustainable financial models to support marginalized communities.
- Interdisciplinary studies focusing on innovative solutions to reduce income inequality.

The research projects highlight UBT's dedication to advancing knowledge and solutions aimed at eradicating poverty and supporting sustainable development.

## Courses' Alignment with The SDG

The University of Business and Technology (UBT) has aligned 22 courses with SDG01. These courses focus on:

- Socioeconomic development and poverty alleviation strategies.
- Exploring economic inequality and sustainable business practices.
- Providing hands-on learning opportunities through collaborations with organizations addressing poverty.

These courses are designed to equip students with practical skills and knowledge to address poverty-related challenges effectively.
